

Telstra | Building Access

Established Sites

While many of Telstra's Network Buildings have capacity for the InfraCo Building Access product to be installed, only a limited number of Telstra Network Buildings have established InfraCo Building Access equipment racks.

Please note that this list is subject to change without notice. If you need to obtain an accurate indication of InfraCo Building Access availability at a specific Telstra Network Building, you should submit a request to your Account or Service Manager or contact Telstra Wholesale via www.telstrawholesale.com.au.

If you would like to request an InfraCo Building Access equipment rack in a Telstra Network Building where there is no established InfraCo Building Access equipment rack, you can submit a request to your Account or Service Manager or contact Telstra Wholesale via www.telstrawholesale.com.au.
